

# KCI Scheidt BD 8105 Field Cart

Simple, rugged, dependable, and easy to operate the BD8105 Field cart is made of sturdy 12 GA sheet metal over a heavy duty steel tube frame. The floor of the cart has 2 independently operating doors of 10 GA sheet metal reinforced with 4" channel iron. The doors open wide in the center of the cart from end to end with 2 independent handles on the front and rear of the cart.

Two product distributing augers on the top of the cart are adjustable and are driven through a spline shaft with a hydraulic motor.
